

Facility Rental Information

Nursery

Plexiglass walls make this nursery visible and safe for your baby. Bright and colorful, this room is for parenting groups and clubs that are in need of childcare for their babies! Space will allow for 10 babies.

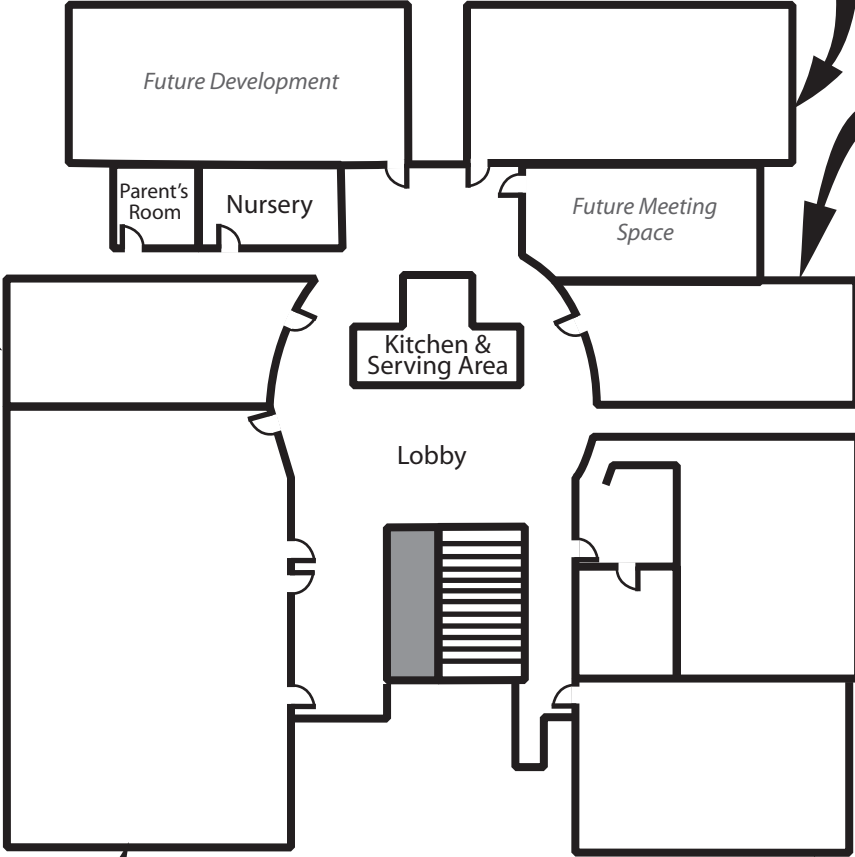

Theatre

99 seat theatre with surround sound, DVD, Satellite and VGA computer connectivity. Perfect for marketing presentations, birthday parties and seminars.

Recreation Room

Ideal for informal meetings, birthday parties and youth groups, as well as a 'Green Room' for any concerts or performances. Complete with X-Box, board games, pinball machines, shuffle-board table, couches, as well as café style tables and chairs. Works for groups of 5 to 40.

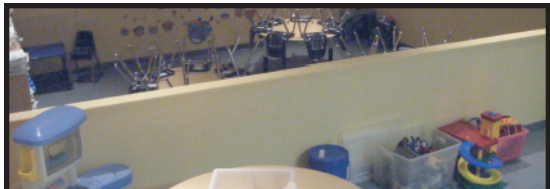

Teaching Room

Two-tiered open room which can hold up to 40 people seated at round tables or 75 without any tables. This room services more formal meetings, classes and workshops.

Main Auditorium

175 seat Auditorium with 32 channel professional audio sound system, dual screens and VGA projectors. Comfortable seating designed for concerts, performances and large group seminars. A church approved sound technician must be used.

Pre-School Room

A divided, yet open, two-tiered room that is designed specifically for pre-schoolers. Up to 25 children can enjoy this room stocked with toys, size appropriate tables and chairs, as well as an engaging atmosphere. This room is for parenting groups and clubs in need of programming space for children aged 2 to 6.

Play Room

Large play area, similar to a McDonald's PlayLand. Full length windows and a viewing area allow for parent visibility.
